STAT

Area of Coverage: China - Kwangsi Province, Yu-lin Hsien

Subjects Covered: Agrarian policy; land rent; land reform; land tenure.

Scholarship Evaluation: Scholarly within realm of Marxist interpretation

Review: Consists of six articles on land rent, some of which were written in 1945 and 1946. First article on surplus labor rate and exploitation is based on studies of income and expense of peasants in Yu-lin Hsien made in 1931 by Chien Chia-chu, Han Te-chang, et al. Other articles are historical in nature and deal with forms of land rent, rent rates, special characteristics in the expanding rent system, wartime development of the rent system in areas under KMT control, and land value.
